

Shareholders agreement disclosed pursuant to Article 122 of Legislative Decree no. 58 of February 24, 1998 (“Consolidated Financial Act”) – Essential information pursuant to Article 130 of Consob Regulation no. 11971/1999, as subsequently amended and supplemented (“Issuers’ Regulation”)

This essential information has been updated in paragraphs 5 and 9 to reflect in the text the changes resulting from the purchase performed, through subsidiaries, by MTP of 36,788,672 Pirelli shares and by CF of an additional 28,000,000 Pirelli shares. The new shares indirectly held by MTP derive from the acquisition performed by MTP itself of the control of Longmarch Holding S.r.l. (which already held these Pirelli shares), through by-laws’ mechanisms, as a result of the subscription of a cash capital increase of the latter reserved for MTP approved by a resolution of the Shareholders’ Meeting of Longmarch Holding S.r.l. on January 8, 2024. The new shares indirectly held by CF derive from the purchase from a primary financial institution made on January 8, 2024 by Camfin Alternative Assets S.p.A. (transformed into Camfin Alternative Assets S.r.l. by a resolution of the shareholders’ meeting of January 8, 2024), which is controlled by CF. Capitalized terms above have the same meaning attributed to them in the remainder of this excerpt.
